14 Case No. 20-CV-03664-LHK
15 **CASE MANAGEMENT ORDER**

16
17 On March 17, 2021, the parties filed a joint case management statement. ECF No. 115
18 (“JCMS”). The Court continues the March 24, 2021 case management conference to May 26,
19 2021 at 2:00 p.m. The parties shall file a joint case management statement by May 19, 2021.

20 In the joint case management statement, the parties raise several disputes regarding
21 evidence preservation and discovery. JCMS at 3–9. The Court orders the parties to raise these
22 disputes before Judge van Keulen.

23 The Court is disappointed that Google has produced just 983 documents, and all but one of
24 those documents is publicly available. JCMS at 6. If Google is not fulfilling its discovery
25 obligations, such conduct will not be tolerated.

26 Plaintiffs state that they served a Notice of Deposition for a Rule 30(b)(6) deposition.
27 JCMS at 4, 6. Google contends that the deposition is improper because the Court declined to
28 consider Google’s arguments about the Court’s website, which Google raised for the first time at
the February 25, 2021 motion to dismiss hearing. JCMS at 9. The deposition is not improper.
Google investigated the Court’s website for the motion to dismiss hearing and raised the Court’s

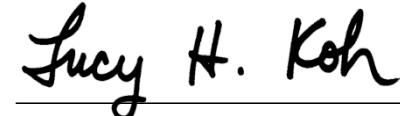

1 website at the hearing because Google recognized the relevance of this information. Having
2 chosen to put this issue in controversy, Google must produce a witness for deposition.
